District Superintendent's Report

As we look back on the 2007-2008 school year, we do so with much pride for the many successes of our teachers and students. Our focus in this district, in our schools, and for our students is continuous improvement. Our vision is of a culture where all ideas are valued, a cooperative relationship exists between the school district and community, collaboration is expected, and people want to work and students want to learn.

Our mission is to engage students at all levels in education experiences that ensure success and life-long learning. Initiatives such as content recovery, individualized graduation plans, career counseling, expanded alternative educational opportunities, dual credit, and advanced placement have allowed us to make significant strides in this area. A number of our schools received recognition at the state level, and two were recognized by the Education Oversight Committee as "Closing the Gap" schools.

We realize that our school facilities play a major role in our overall instructional program. Therefore, our Board of Trustees has continued to move forward with our capital improvement program. New construction and major renovations can be seen throughout the district.

We continue to improve our technology in the classroom with the installation of interactive smart boards. These boards are designed to energize teaching and learning, empower teachers, bring lessons to life, and further engage students.

Although we still have many challenges, we must also celebrate the success of this past year. These successes are made possible through the efforts and commitment of our dedicated trustees, capable administrators, and talented faculty and staff. We realize that the support of our families and community is essential to the overall development of our students.

We thank you for your continued support, and we ask that you stay involved with what is taking place in our school district so that we may continue to provide the best learning experience for our students.

Bennie Bennett, Superintendent
